Step 4 – Taken pictures will appear in the file explorer. They will be in 'Pictures' and then look for the folder named 'Camera Roll'

Step 5 – These pictures can be uploaded onto TEAMS in your child's assignments. Click on the lesson you want to upload and click 'Add work'

(Note – When you hand/turn-in work, you won't be able to upload new documents. To upload new documents after hand-in, undo your hand-in by pressing the hand in button before.
