

YEAR 6 TEAM

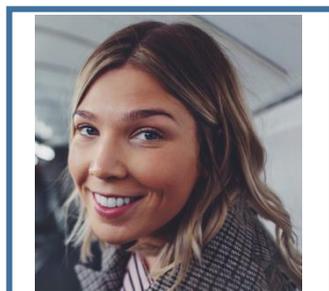

Mrs Jenkins

After teaching for 10 years in Bristol and China, I joined Hardwicke in 2018. I have been fortunate enough to have experienced teaching in most year groups and excited to be continuing in Year 6 next year. I love working with Mrs Hathaway -we work so well together and ensure that we keep life in Y6 happy, productive and running smoothly! My favourite subject to teach is Music (as I love to play piano) but I also love to teach Computing; it keeps me on my toes because it's changing all the time! At home my passion is my family. We have two young children and love to go on camping holidays, to festivals, spending time at the beach and going on bike rides. I love teaching at Hardwicke because the children are such happy and enthusiastic students 😊 I am looking forward to getting to know my new class – it's going to be a great year!

Mrs Hathaway

I have been teaching at Hardwicke since 2004, working my way up through Year 4, Year 5 and, now, Year 6! I love every aspect of primary teaching, in particular being able to enjoy so many different subjects. I especially love History as I'm quite nosy and want to find out how people lived in the past! I feel so fortunate in sharing a class with Mrs Jenkins; we make a great team and it means that when I arrive at school on Wednesdays, I'm fresh and ready to take on the challenges and fun of the rest of the week. It also means I have time to enjoy the things I love outside school: spending time with friends and family; running and walking with my dog, Willow; doing zumba dancing; growing vegetables at my allotment and holidaying at our caravan in Wales. I am so looking forward to teaching Class 6HJ 2021-22. I think we will have a wonderful year!!

Miss Crisp

Hello everyone at Hardwicke! I am Miss Crisp, and I am extremely excited to be joining the Hardwicke family, watching every individual in Class 6C SHINE and revel in their learning journey together. My teaching career thus far has spread across five wonderful years, in which I've taught across Key Stage 2 - in years 4, 5 and 6. My classroom is a place which instils creativity, encourages ambition, and celebrates every achievement. I particularly enjoy teaching topic lessons, exploring and understanding the beautiful world around us. I cannot wait to share this with my new cohort in September and explore all their gifts and talents. When not in school, I enjoy spending time with my very much-loved dog, Winnie (taking walks in the countryside), and I additionally adore reading! I am looking forward to the year ahead with class 6C and I cannot wait to start our learning journey together.
