## YEAR 5 TEAM

**Miss Cook**

I am extremely excited to be joining the team at Hardwicke this September. Having recently graduated from the University of Worcester, where I studied both Physical Education and Sports Coaching Science and a PGCE with PE Specialism, I am looking forward to instilling a passion for physical activity within my classroom. As someone who, when asked what they wanted to be when they grow up, at the age of 8, and replied 'a teacher' I am passionate about creating a cooperative and enjoyable learning environment where every child feels valued and motivated to reach for the stars! In my spare time, you will usually find me with my nose in a book or going on long family walks.

**Mr Pegg**

I have been teaching at Hardwicke for about 15 years and during that time I have taught in each year group in Key Stage 2 from Year Three to Year Six. My favourite subjects are: Geography, History (as this was the subject of my degree from Liverpool University and I have always found it fascinating); P.E. (especially football as I run the Upper Key Stage 2 Football Club along with Mr Walsh); English; Maths and Art. Outside school I love to cook, ride my new bike, go for walks and camping in the countryside.

**Mr Hynes**

I began teaching in Hardwicke in 2001 and during this time I have taught Year 1, Year 2, Year 3, Year 5 and...Year 6! Prior to teaching I was working in finance and IT so it is not surprising that I particularly enjoy teaching Maths and running a Coding Club. I grew up in a home where we were surrounded by books and music, so you'll often find me buried in a book, a Kindle or the library... I play the guitar (after a fashion!) and I'm still trying to get to grips with the Irish bouzouki I acquired last year! Family time is most important. I'm also a fair weather Leicester City supporter, so it's been a good year. Hopefully next year will be also!

*Love your neighbour as yourself.  
We care, learn and achieve... together.*
